Little Blossoms (Art & Craft for Juniors) (Age 2½ to 7+)

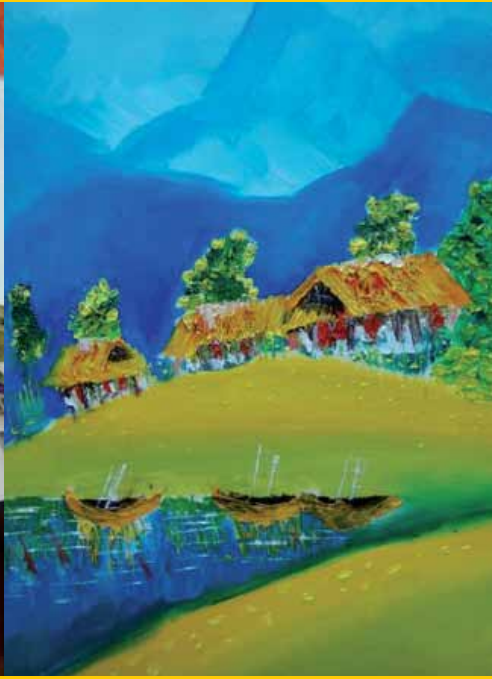

The program is intended to explore the spectrum of Little ones imagination. Children have a choice from step by step drawing and painting with various mediums, craft, printmaking, festive art, master artists, creative expression, printmaking and many other creative activities.

This gives them hands on experience, makes them knowledgeable and immerse them in the joy of learning art making their holiday meaningful.

*** Sat & Sun subject to availability**

** All children who have attended this workshop earlier would be attempting higher level works.*
