Gift Vouchers Now Available at Little Artists!

NURTURING CREATIVITY

Why gift vouchers? Opportunities to let one's creativity run wild are great gifts to give both children and adults. With our award winning classes for artists of all ages there is no better gift than a day or more at Little Artists Art Studio.

What are some ways to use them? Whether you would like to buy someone an individual class, a Holiday Program of 4-6 classes, or a series of regular classes, these vouchers are a fun way to say you care. Students taking even just one class walk away with colourful artworks, so the attractive voucher is really only the first part of the gift experience.

What do they look like? Elegant yet colourful, these *objects d'art* are a venture into artistic fantasy and fun. Valid for one year they are flexible to use and packaged to perfection, with a gift receipt inside stating the exact purchased package.

Where can I get them? Available at Little Artists Reception these are perfect gifts for birthdays and the approaching holiday season. Available now!

Regards,
Little Artists Team
